Associate Membership.....\$395/year  
Affiliate Membership.....\$250/year

Builder members are individuals having a residential building license from the Louisiana State Licensing Board for Contractors. **If you have a license, you MUST apply as a builder member.** Additionally, if you are currently in the process of getting a contractors' license (i.e. taken and passed the test), you must apply as a builder member.

Associate members are those in fields which support the building industry such as painters, electricians, real estate agents, mortgage lenders, etc. If someone in a company already has an AHBA membership, another employee of the same company may join as an affiliate member and will receive all of the same benefits as associate members.

Builder & associate dues include membership in AHBA, Louisiana Home Builders Association (\$50) and National Association of Home Builders (\$150), plus a voluntary contribution of \$10 each (\$20 total) to the local and state Political Action Committees.

All dues, upon application approval by the AHBA Membership Committee and Board of Directors, are non-refundable. Dues may be paid by check, cash, or credit card. The application process takes approximately 1 month from submission of application to approval. Upon approval, applicants will receive a new member packet in the mail.
